To Whom It may Concern:

The notice and order to show cause was sent to our Domestic Water Association advising that we should file an objection to the proposed water requirements if we do not agree to them. However, the show cause order only makes reference to ditches used for "surface irrigation" uses, and so therefore, we are confused as to whether the order applies to domestic water associations. The Ensenada Mutual Domestic Water Consumers Association utilizes an underground well for its water use.

If the show cause order does in fact apply to domestic water associations such as ours, we do object to the irrigation water requirements currently being proposed to the court.

Please note the correction to our mailing address: P.O. Box 226 – not P.O. Box 32.

Thank you.

Sincerely,

  
Vicente Montaño  
President, Board of Directors
